

## LIBERTY BANK BUILDING

---

A vital entrepreneurial node and springboard to Pittsburgh's creative business scene for a decade, the Liberty Bank Building is six stories of dynamic coworking space, office suites, and meeting rooms. Designed and equipped for modern businesses and entrepreneurial teams, this location is an inviting home for freelancers, remote teams, growing organizations, and local residents.

Situated in the heart of East Liberty, the Liberty Bank Building is Beauty Shoppe's original location in Pittsburgh. A short jaunt from neighborhood mainstays—Zeke's Coffee, Ace Hotel Pittsburgh, and Kelly Strayhorn Theatre, to name a few—you're never far from the action in this culturally vibrant part of town.
